

*With the Capitol as a backdrop, NCPA Executive Vice President and CEO Bruce Roberts, RPh, introduces 10 members of Congress who spoke in support of NCPA's efforts to revamp a proposed Medicaid reimbursement formula that does not cover community pharmacy acquisition costs for generic drugs. The outdoor news conference was the highpoint of NCPA's 39th annual legislative conference, attended by nearly 500 pharmacists and their supporters. A full report on the conference will appear in the August issue of America's Pharmacist. **ap***
